

Introduction

People with disability are an integral part of the City of Maribyrnong's proudly diverse community. People with disability are people first, and they live life, work, have families and participate in community life. The Disability Action Plan 2022-2026 demonstrates Maribyrnong City Council's commitment to creating an inclusive community that is based on fairness and respect for people with disability. Council aims to ensure that the City of Maribyrnong is an accessible and inclusive community, where everyone has the same opportunity to live a fulfilling and enriching life.

KEY OUTCOME AREAS

Accessible communities

Accessibility to built environment, information and services ensures that people living with disability have the opportunity to equally participate in community life.

Inclusive communities

People living with disability feel valued and understood and that their rights are promoted and protected.

Participatory communities

People living with disability are supported to participate in community life and contributing to community decision making.
